The Ministry has assessed the strengths and needs of our current Board of Trustees. We have also evaluated the strengths the Board will lose at the end of this year when certain members complete their terms. Our intention is to identify the specific skills and fields of expertise that will be vital to our Unity ministry over the next few years. We are committed to having a Board that is dedicated and fully prepared to maintain and cultivate Unity of The Blue Ridge.

The following is a list of skills which will be necessary and useful to our organization as we grow. Please check those areas in which you have interest, skills, and/or experience, either professionally or organizationally:
